

15 March 2020

**To: All FUTURE NATION SCHOOLS and PRESCHOOL parents, teachers, admin staff, students
CLOSURE OF SCHOOLS IN RESPONSE TO CORONAVIRUS**

Following the announcement by President Ramaphosa and declaration of the state of emergency, Future Nation Schools and Preschools will close from Wednesday 18 March 2020. The last day of school for students is Tuesday 17 March 2020. All teachers and admin staff will report for duty on Wednesday morning 18 March to finalize school administration issues before closing. Future Nation Schools will communicate shortly regarding our plans to support learning teaching going forward should disruptions continue.

All end of term-1 exhibitions and one-on-one contact meetings with parents are cancelled. Communications with parents must be done through electronic or digital platforms.

The Sifiso Learning Group Head Office will remain open during normal working hours in the period of school closure. We will set up a helpline at Head Office to respond to parent queries. The details of the helpline will be announced as soon as possible.
